INFORMATION DISCLOSURE STATEMENT

Hon. Commissioner of Patents
Washington, D.C. 20231

Sir:

Attached is a copy of the Search Report for the parent international application PCT/US99/22584 (WO 00/18962).

This Information Disclosure Statement (IDS) is intended to be in full compliance with the rules, but should the Examiner find any part of its required content to have been omitted, prompt notice to that effect is earnestly solicited, along with additional time under 37 CFR § 1.97(f), to enable Applicants to comply fully.

Contingent IDS Request Under 37 CFR § 1.97 (c): Should a first Office Action on the merits have been mailed before today, please consider this a request under Rule 97 (c) to consider this IDS in lieu of certification and charge the Rule 17(p) Official fee to our Deposit Account No. 03-3975 under Order No. 071180/266874 for which purpose this paper is submitted in duplicate.

As provided by 37 CFR §§1.97(g) and (h), no inference should be made that this information and the listed references are prior art merely because they have

been submitted for consideration. Furthermore, no representation is being made that a search has been conducted or that this statement encompasses all possible material information.

Consideration of the foregoing and enclosures, as well as the return of a copy of the Form PTO-1449 with the Examiner's initials per MPEP § 609, are earnestly solicited. The Examiner is invited to contact the undersigned if further information is needed.

Respectfully submitted,

PILLSBURY WINTHROP LLP
